

Barracuda Networks offers industry-leading solutions for network security with focus on enterprise firewalling, content security and data storage, protection and disaster recovery. For the extension of our team we are currently looking for a passionate

## **IT Manager EMEA (m/f)**

Location: Innsbruck

We are looking for an IT manager to be responsible and accountable for the smooth running of our IT systems within the limits of requirements, specifications, costs and timelines. You will supervise the implementation and maintenance of our company's IT needs. The successful candidate will have improved skills, a proven professional experience and a detailed knowledge of industry's best practice processes.

### **Responsibilities**

- Technical and disciplinary leadership of the EMEA IT Department and its team members
- Implementation of management tools and KPI's
- Responsibility for the personal development of the team members
- Establish an open error culture
- Annual resource and budget planning
- Manage the European Data and Cloud Center
- Project development within IT and ERP systems
- Design, develop, implement and coordinate systems, policies and procedures
- Ensure security of data, network access and backup systems
- Act in alignment with user needs and system functionality to contribute to organizational policy

### **Requirements**

- Proven working experience as an IT manager or relevant experience
- Excellent knowledge of technical management, information analysis and of computer hardware/software systems
- Expertise in data center management and data governance
- Hands-on experience with computer networks, network administration and server administration
- Ability to manage personnel

### **We offer**

- A challenging position in a talented and motivated team
- Your personal development is extremely important to us, which is one of the reasons why we created a whole platform filled with training courses and presentations, which will help you grow on the job and push your career even further
- Responsibility for innovative development projects
- A pleasant and international working environment with various benefits
- As much coffee, tea, fruit, yoghurt and energy drinks as you can handle

Ready for Barracuda? We are looking forward to receiving your [online application!](#)

The minimum salary for this position is EUR 45,000.00. The actual salary will be determined based on professional experience.
