

WHEN LIFESTYLE MEETS LEADERSHIP

Sandoz – **effective** together

Remarkable developments occur at Sandoz due to the combination of individual characteristics, personal interests and professional qualification. This is why we are seeking employees with a passion for all that they do and who will work together with us to achieve the common goal: to provide patients in Austria and all over the world with high-quality, affordable pharmaceutical products. We, Sandoz, are one of the largest pharmaceutical companies in Austria with over 4.000 employees at four sites. As a member of the global Novartis Group, we develop, produce and market generic pharmaceuticals – above all antibiotics, injectable cancer drugs and innovative biosimilars. Come and work with us as ...
